Potential 2023 Season Sponsor

The Board of Directors for the Oakland Youth Baseball and Softball League have been busy reflecting on the 2022 spring season and making plans for the upcoming 2023 season. Last spring's baseball and softball season was a great success.

Almost 200 individual games were played at the Broadford Park fields. Teams from leagues in Garrett, Allegany, Mineral, Tucker, and Preston Counties visited our facilities to compete. Almost every weeknight and Saturday morning from April through July, the ballpark was filled with families cheering on their favorite ballplayer.

Money raised last year was used to purchase and upgrade equipment, provide uniforms, and maintain the facilities. The league was able to replace a zero-turn mower and purchase a new four-wheeler used for field maintenance. Over \$6000 in worn out baseball and softball gear was replaced. A few non-profit organizations helped in the concession stand netting \$3,500 for their organizations. With the facilities starting to show their age, there are many maintenance needs that will require funding in the near future.

We are seeking donations of \$400 to sponsor the league. Your tax-deductible donation of \$400 or more will support the league and provide advertising for your business with a 3x6 sign on an outfield fence for everyone to see when they come to the park. Team sponsorships will be given on a first come basis.

It's only with support from donors like you that it's possible to provide a program that teaches children the benefits of teamwork, self-discipline, and a respect for authority.

Thank you for considering a donation. We look forward to seeing your business name on the outfield fences this spring!

Sincerely,

OYBL Board of Directors

Chip Miller	Bill German	Eric Guthrie
Ryan Uphole	Scott Hershman	Dave McLaughlin
JJ Tusing	Nick Gregg	Justin Dunithan
Arthur Lemley	Steve Rodeheaver
